

How to Write a Winning Business Plan

Starting a business without a plan is like going on a trip without a roadmap. A business plan helps you start, build and manage your business. Learn why a business plan is critical to your success, especially if you need a loan or an investor for your business. This workshop will explain the general format, the sections of a business plan, and what information is required for each section. **The cost of this workshop is \$20.00** and is presented by the Navarro College Small Business Development Center.
